C Grade C or better.
Consult advisor about reverse transfer to complete your associate degree.

Program Requirements
Completion of the elementary education bachelor’s degree program at Kansas State University prepares students to apply for a Kansas K-6 teaching license.

Students who follow the English as a second language track will also be eligible to apply for an endorsement in English as a second language.

- 120 total credits are required for a bachelor’s degree.
- Only half (60) of the hours for a K-State degree can be taken at a two-year college.
- The community college transfer equivalency page is located at [go.k-state.edu/#/equiv](http://go.k-state.edu/#/equiv).
- Additional coursework may apply after consultation with advisors.

Areas of Concentration
Students are required to take 15 credit hours in one area of concentration in addition to completing the general education requirements. One of the following areas must be selected:

- English
- **English as a second language**
- Mathematics
- Modern languages
- Science
- Social science
- Special education (not available online)
- K-12 online teaching undergraduate certificate
- Open option: 15 credit hours to be selected in consultation with an advisor. Students are encouraged to select coursework leading to a minor, certificate or additional teaching interests.

* Must be completed at K-State.
Kansas State University
Bachelor of Science in Elementary Education Online

- Prepares students to teach K-6 reading, language arts, mathematics, science, social studies, art, music, and health and movement.
- Allows distance supervision of field experiences in locations convenient to each student through Swivl technology.
- All K-State courses can be completed online.
- Students will be required to obtain an iPad and Swivl robot prior to beginning Block A.
